Dear John:

Your planning was both thorough and impeccable. I got a great deal more out of the day with you than I had any right to expect, and I thoroughly enjoyed it as well. Please express my thanks to all of those who participated in the effort. I especially appreciated the lovely lunch you provided for us.

I complain sometimes about the five-inch firehose, but this was a day I badly needed and which will be very helpful to me in the future. I look forward to seeing you on your next trip to Washington.

With best wishes,

Sincerely,

William H. Webster
